**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

customer of Carolina Water Service

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

When comparing the cost of water in cities and areas comparable to Lake Wylie, the increase in the cost of water is substantially more. Furthermore, the percentage increase Carolina Water Service is stating is much lower than the actual increase an average homeowner would pay. According to my calculations, the consumer is looking at paying an additional 70-90%. This is not a fair and justifiable increase to its loyal customers.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

If need be.
